

Gibbston Tavern Wine

\$20 tasting

(Taste all 5)

Welcome to the home of **Gibbston Tavern Wine** - the only place on earth you can taste & buy their collection.

1. Aunt Fanny

Sauvignon Blanc (Fume Blanc) 2018, dry, 12.5% alc

This inaugural batch pays tribute to your beloved Auntie who knows how to sip a mean Sauvignon. As it ages, the oak notes mingle with tropical flavors, finishing with a touch of mango, giving it a unique twist.

2. Hanky Panky

Pinot Gris 2023, Vibrant, Fresh, Fruity 14.2% alc

Elegantly styled and charming, much like Hank the Tank, this wine shows Nashi pear, rockmelon, rich floral and lemon peel aromas, followed by a fruit expressive palate that's finely flowing and lingering.

2. Blushing Willy

Rose 2023, Floral & fruity, 14% alc

This wine is a wild child, bursting with modern, vibrant energy just like its namesake. Floral on the nose with candy floss vibes coming through, followed by alpine strawberry & raspberry on the palate.

4. Mayor & Co

Pinot Noir 2021, smooth - like the man himself, 13.5% alc

Our best kept secret comes directly from the Mayor himself. Taken from one single vineyard in Gibbston, this vintage uses 100% of the vine by-product (stems, leaves etc) in the fermentation - most other Pinot Noirs use 25%. A touch of spice, dryness, and a light tannin - Shiraz vibes in Pinot country.

5. Sweet Cheeks

Riesling 2022, sweet, 10% alc

This playful little number has all the sweetness of honey suckle, marmalade, and jasmine, with a tangy twist of citrus. Straight from the small patch single vineyard of Gibbston, it's the perfect summer white for kicking back and soaking up the sun.
